There are lots of great ideas on the official
website

These are marshmallow snowmen from the website. You can
decorate this with icing, sweets and strawberry laces.

The Snowman is a modern
classic written by Raymond
Briggs. It is a beautifully
illustrated book which tells
the story of a snowman that
comes alive and the
adventures that he has with a
little boy. It is often on the TV
near Christmas.

Raymond Briggs also wrote two other books with links to
the Snowman – *The Snowman and the Snowdog* and
Father Christmas.
