

Hull City Council is working in partnership with the Dollywood Foundation

This book is a perfect introduction to toddlers about the climate change. It is written from the point of view of the Earth, asking for help

It explains what is happening to our planet but also what we can do about it.

Have some warm, soapy water ready once you finish as the mix can be messy!

Step 1

Mush together the seeds, lard, cheese and raisins in a mixing bowl.

Step 2

Tie a string to your pine cone then cover it with the mix. Don't forget to fill the holes!

Step 3

Pop it in the fridge until set, then it's ready for the birds!
