

Hull City Council is working in
partnership with the
Dollywood Foundation

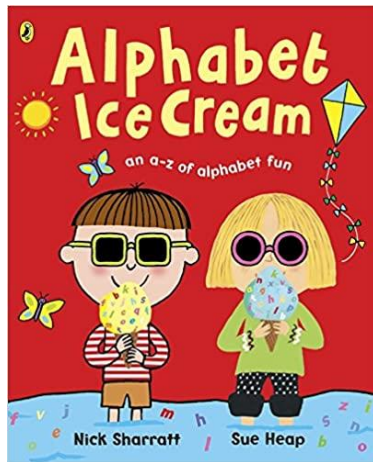

If you are travelling around you can play the alphabet game instead of 'eye spy'. You decided on a topic/theme and then try to think of a word that begins with each letter of the alphabet. For example:

Apple

Banana

Clementine

Dragon Fruit

Alphabet Ice-Cream is a unique and special alphabet book with the author and illustrator taking key roles! You could read other books by these two authors including *One to Ten and Back Again* or *Faster, Faster! Nice and Slow!*

You could help your child to think of words that begin with each letter of the alphabet. How many can they think of?

This is also good as a distraction technique if there is something that your child is worried about or you are having to wait somewhere for a long time (the great thing is that you don't need anything).
