What about making a family tree to show who is in
your family and who is related to who? It can be very
simple using pictures or photographs.

Families can all be very
different. Some children may
have two mummies or two
daddies. Others might live
with grandparents or only
have one mum or dad. In this
book it is a wonderful
celebration of adoption and
all the fun you can have as a
family.

Who lives in your family? Some families can be small
and others can be really big. Some families live
together or near each other whereas others might
live a long way away.

For example, I am have no brothers or sisters and
neither did my mum and dad so we are a very small
family!
