EHC Banding Consultation - Thursday 17th
March 2022 – 3:30pm

Local Offer

Thank you to those colleagues who have recently checked their local offer information. If there are any changes to make please email localoffer@hullcc.gov.uk

A new local offer website is being developed and we are aiming for this to go live on the 3rd of December. Please look out for opportunities for you to share your thoughts and feedback. If there is additional information you would like to see in the professionals area please do not hesitate to share your thoughts and ideas.

Learners New in City with an EHCP

For those learners who arrive to the city with an EHCP issued by another Local Authority the child should continue to attend the educational setting named in their EHC Plan. However, where this is not possible (for example due to the distance which would need to be travelled) there is a requirement for the learner to attend a

setting similar to that named on the plan temporarily until the EHC plan can be reviewed and formal consultations can be carried out.

Future SENCo Forums

Places can be booked by emailing your name, role and setting to SEND.Training@HullCC.gov.uk and stating which session you wish to book for.

Deadlines
